

When the Two Legends Unite

There will be something huge is about to happen

Bernard Iskandar

The Endodontic Legend from Indonesia

James L. Gutmann

The Endodontic Legend from USA

This may not be the first time, but undoubtedly this will be their best time to meet each other because they will team up at the Dentsply Sirona Dental Insight 2016. Introducing the Indonesian endodontist living legend, **Bernard Iskandar (left)**, and the endodontist living legend from United States, **James L. Gutmann (right)**.

This will be Their Best Time to Meet Each Other.

Jakarta - The two endodontic legends will team up at the Dentsply Sirona Dental Insight 2016 and this will be the most looked-for endodontic seminar of the year. Together with Dentsply Sirona, they are going to introduce the brand new innovative product, i.e. the WaveOne Gold which will lead you to achieve a comprehensive treatment solution, to optimise predictable, successful outcomes and ultimately to surf the canal with confidence.

James L. Gutmann
The Endodontist

Dr. James L. Gutmann is Professor Emeritus in Endodontics/Restorative Sciences, Texas A&M University School of Dentistry, Dallas, Texas. He is a Diplomate of the American Board of Endodontics, Past President of the American Association of Endodontists and President of the American Academy of the History of Dentistry, in addition to being the Editor of the Journal of the History of Dentistry.

He has presented over 800 lectures, papers, and continuing education courses in the United States and 52 foreign countries. Additionally he has authored over 300 articles in both dental journals that address scientific, research, educational, and clinical topics and 3 text books: and has taught full time for over 27 years at three major universities. Presently, he serves as a consultant to Dentsply Sirona SBU Global Edodontics.

Bernard Iskandar

The Endodontist

Undoubtedly, Drg. Bernard Iskandar is well-known as the master of endodontic. As one of the pioneer endodontist in Indonesia, he love to share his knowledge and skill to everyone who is keen to learn. Currently, he is working as a full time lecturer in the faculty of dentistry in Trisakti University and the Chairman of IKORGI, Tri-sakti University.
